

Working for Healthy Communities

Central Utah Public Health Department is holding a National Swimming Pool Foundation (NSPF) Certified Pool Operator Class April 23rd and 24th in Mt. Pleasant. If you would like to attend the class the second day only as a fusion student please use this form.

To attend please complete this application and return it to the address below by March 30th, 2018

Certified Pool Operator Fusion Class Application

Name: _____ Pool employed at: _____
 Address: _____ E-Mail: _____
 _____ Phone: _____

Cost: The fusion class requires the completion of the Pool Operator Primer from NSPF. A record of completion of the Pool Operator Primer must be brought to class.

The Pool Operator Primer can be purchased off the NSPF website (www.nspf.org). Registration on the NSPF website is required to purchase and take the online primer course. If purchased directly off the NSPF website the primer cost is \$225. We are offering a \$95 discount (\$130 cost) on the primer course if you register before April 8th. The one day classroom training cost is \$135.00.

Please mark one:

	I am registering for the one day course only. I understand I will need to take the pool operator primer course at my own expense (\$225.00) and bring a record of completion to the class. <p style="text-align: right;">TOTAL \$135.00</p>
	I am registering for the one day course and would like the discounted pool operator primer. Registration must be received before 3/30/2018. CUPHD will provide the code for the primer course once registration and payment is received. I understand I will need to complete the primer course on my own and bring a record of completion to the class. <p style="text-align: right;">TOTAL \$265.00</p>

Registration can be submitted in person or mailed to:

*Central Utah Public Health Department
 70 Westview Drive
 Richfield, UT 84701*

Paid: _____

*Once we have your registration, you will receive a phone call or email to confirm your enrollment.

***** Please remember to bring your calculator and photo identification *****

Each public pool is required by State Law R392-302-29 to have a trained and certified operator.
